Water Sample BB-10: River Terrace Park, I presume. Did y'all go into that little water body that runs through River Terrace Park? Does it have a name?

Water Sample BB-11: I assume this was Juan Sequin Park, and not the Battleship Texas Park. Correct?

Good Morning,

Please find the attached maps and table.

There are 54 air monitoring locations in this reporting period. Zero locations exceeded.

Five water samples and one duplicate was collected.

ASPECT did not fly

Thanks,

David Cook
